

Wah Lee Posts Record-High Q2 Revenue of NT\$23.84 Billion

July 8, 2026 — Wah Lee Industrial Corp., a leading supplier of high-tech materials and equipment, announced a consolidated revenue of NT\$7.78 billion for June, representing a 13.9% year-over-year (YoY) growth. The company's second-quarter revenue reached NT\$23.84 billion, surging by 17.9% YoY, while cumulative revenue for the first half of the year hit NT\$45.68 billion, also up significantly by 17.7% YoY. Driven by the rapid expansion of artificial intelligence applications, demand for AI servers, high-performance computing (HPC), and advanced semiconductors continues to climb across the board, fueling robust growth throughout the semiconductor and electronic materials supply chain.

About Wah Lee Industrial Corp. : Wah Lee Industrial Corp. was founded in 1968. In order to satisfy the needs from the industry development of Taiwan and the overall operation requirements of the company, we have successfully introduced materials and equipment for industries of PCB, semiconductor, information communication technology, FPD, and green energy. Our goal is to be the leading hi-tech total solution integrator and provider in the Greater China area. The company is headquartered in Kaohsiung, with branch offices in China, Singapore, and ASEAN countries.
